

Tutorial

How to order via the aly in waterland application

Step 1: Choose and select a product and its quantity, then click “Buy Now.”

Step 2: Select a delivery date for your order (within 5 working days from the date of order). You can also leave a message or any note.

The screenshot shows a mobile application interface for a water delivery service. At the top, the status bar displays the time 13:28, signal strength, and battery level at 66%. The app's header is blue with a back arrow and the word "Checkout". Below this, the user's contact information is listed: "Aldrey Miguell" with a "Change" link, a phone number "+639683063923", and an address "148, NCR, Metro Manila, Marikina, Barangka, 1803". The order items are listed in a table with icons, descriptions, prices, and quantities. The items are: 3.8L Slim Gallon (P70, QTY: 2), 3.8L Round Gallon (P70, QTY: 2), and 350 ML Bottled Water (P20, QTY: 2). A red rectangular box highlights the "Selected Date: Nov 20, 2024" dropdown menu. Below the date selector is a text input field labeled "Leave a Message" containing the text "PA ORDER UNIT 67". The "PAYMENT METHOD" section shows two options: "Cash on Delivery" (selected with a blue checkmark) and "GCash e-Wallet". At the bottom, a black bar displays the "Total Payment" as "P160" and a blue "Place Order" button.

Item	Price	Quantity
3.8L Slim Gallon	P70	QTY: 2
3.8L Round Gallon	P70	QTY: 2
350 ML Bottled Water	P20	QTY: 2

Selected Date: Nov 20, 2024

Leave a Message

PA ORDER UNIT 67

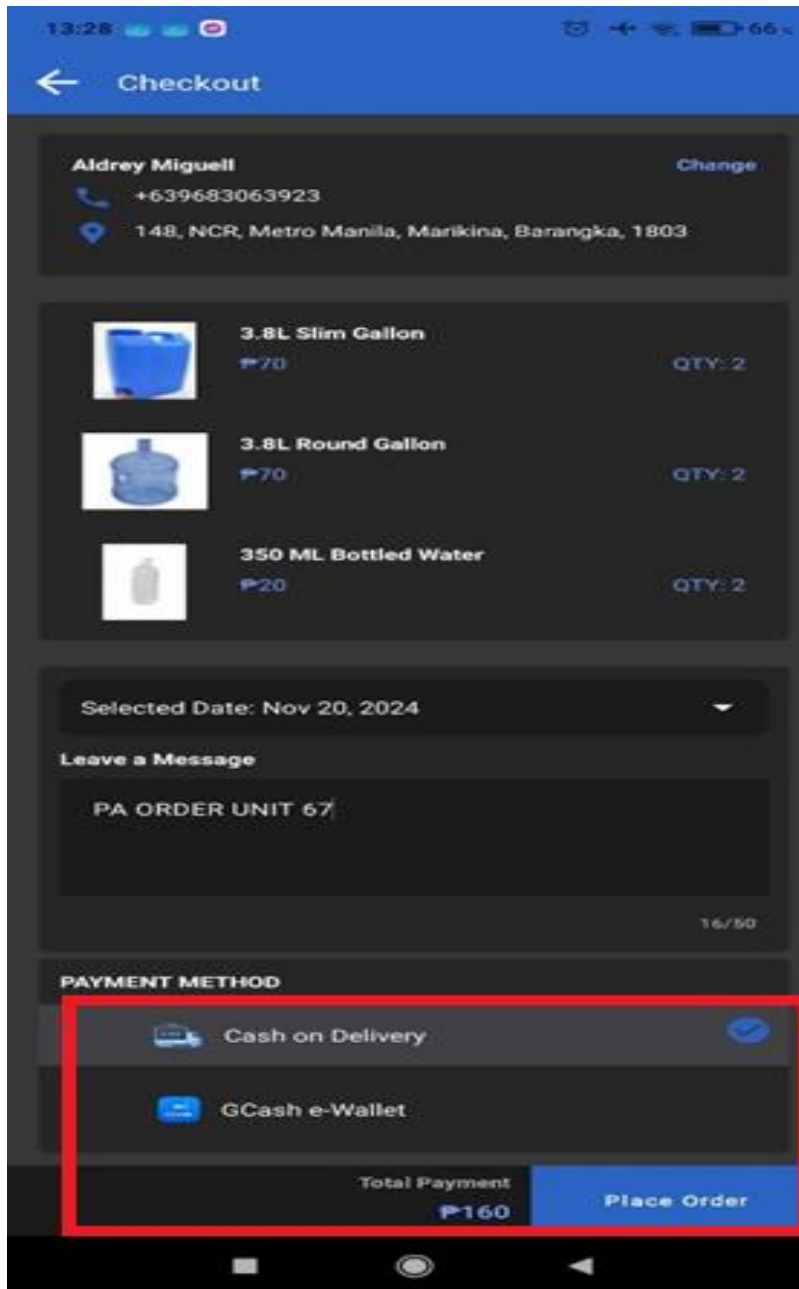

PAYMENT METHOD

- Cash on Delivery (Selected)
- GCash e-Wallet

Total Payment: P160

Place Order

Step 3: Choose a payment method—either COD or GCash. If you choose GCash, provide a screenshot of the payment receipt along with the reference number. Then click “Place Order.”

“Aly in Waterland will notify you about your order status. Thank you!”
